Where to purchase ISO 9001 standard

The cost to purchase the *ISO 9001 Quality Management Systems Requirements* standard is established by ISO (International Organization for Standardization), the non-profit organization that developed and published the document. Some organizations, such as the ones listed below, offer their members a discounted price for the standard.

American Society for Quality (ASQ) <http://bit.ly/ASQcqs201801>

American National Standards Institute (ANSI) <http://bit.ly/ANSIcqs201802>

Amazon.com also offers the standard at a discount: <http://bit.ly/AMAZONcqs201803>

Getting started with ISO 9001

ASQ Knowledge Center <http://asq.org/learn-about-quality/iso-9000/iso-9001-2015/>

This learning resource for ISO 9001 includes free, "open-access" articles and case studies and offers training and books on the subject. Membership is not required.

General Resources for Quality

Quality Digest <http://www.qualitydigest.com/>
